2ND ANNUAL "ALL IN FOR CPR"
FUNDRAISER

Tickets will be on sale in April.
Location: The 1818 Club
\$75.00 pp

Dear Joanne,

Happy New Year! Here is a recap of the dogs we handled in 2010. CPR successfully placed 54 dogs in their forever homes and assisted in transporting 62 dogs.

Our Board of Directors is committed to making 2011 even more successful, with several fundraisers in the works, and our permanent kennel construction about to begin.

CPR incurred major medical expenses in 2010 related to many heartworm positive dogs, and also our dear Indy.

As with most rescues, our adoption fees do not cover our medical costs, but with the economy in its poor state we are committed to not raising adoption costs. Instead, we have come up with a painless and hopefully significant idea to raise funds.

Please read about our "FB Fan" support and see how you can help us for as little as \$1.00/month.

Thank you all for your support in 2010 and thank you for your continued support throughout 2011.

Sincerely,

Carla Brown

CPR has over 1600 Face Book fans. Are you a fan? If not, please click the logo above and select "Like".

One of our goals in 2011 is to not only build our permanent structure but to also be able to sustain our monthly costs. We have created a sponsorship opportunity for all of our facebook fans.

We have two levels available, \$1.00/month and \$5.00/month. (and of course our regular recurring donations for Bronze Silver and Gold levels!!) We hope you will consider becoming one of our FB Fan Sponsors. Click on the following link and sign up today.

We hope this minimal commitment will allow CPR to continue to help GSD and other breeds to find their forever homes. The \$1.00/month donation is a great way to get your children involved, teaching them the value of giving back to the community. Parents, supporters, do you have an extra \$5.00/month to help?

We receive posts all the time from our fans who live far away and wish they could help. Here is your chance!

All money raised through our FB Fans campaign will go towards the monthly cost of vet bills, food, and supplies. Remember, CPR has no paid staff and is 100% volunteer run organization. If each fan donated just \$1 a month, we would raise over \$1600 each month!!

We value all of our donors, supporters and volunteers that make it possible to continue our mission. Thank you from all of us at CPR!
